

Enrollment Information

Welcome Pre-K Students and Kindergarten Students

Welcome to L. W. Westfall Elementary! We will begin accepting enrollment for pre-k and kindergarten students on May 2, 2017 from 4:30pm-5:30pm for the 2017-2018 school year. The school day ends at 3:30pm. If you arrive early (before 4:30pm) be prepared to wait outside until all students are dismissed from school and enrollment begins. We will have 40 spots available to Westfall students this year. If your child attended Westfall preK you do not need to enroll for kindergarten at the time. This is for NEW Westfall students.

What do you need to bring....

- Your child's original **certified state issued** birth certificate.
- Your child's current shot record- all shots must be up to date
- The guardian's drivers license
- Current ONG or OG&E bill showing parent name

We are not able to use bills that show a cutoff notice.

You will be required to provide your current ONG or OG&E bill again in August before school begins.
