

2017 “THE FUTURES” TEAM CAMPS

9TH GRADE JUNE 13-14TH

7-8TH GRADE JUNE 15-16TH

Coach,

I hope that your off-season is going great as spring ball quickly approaches. This summer Yukon Football is hosting two team camps to invest in the future of the program.. The format will be decided on by the participating teams. Each day the camp will be scheduled from 8:00 am until 11:30 am. Each team will have the option for lunch at no additional cost at our high school cafeteria.

The cost of the camp will be \$20 per player. Checks will be made out to the Yukon Quarterback Club. The camp will be held on the campus of Yukon High School in Miller Stadium. Please park your bus in the visitor parking lot behind the visiting stands. You will enter the stadium from the south gate beside our Wellness Center. If you have any questions don't hesitate to call. Look forward to seeing you and investing in the FUTURE of each program!
